**Assignment 0924 Feedback**

Because we have not yet fully explored the scopes of outcomes *1b* and *2b*, these proficiencies have a maximum value (for this assignment) of |. For outcomes that get +’s (or |’s for *1b* and *2b*), there isn’t much more to say except “keep doing it that way.” :) Feedback for other proficiencies focus on specific points of improvement in order to advance. The answer to “how do I improve my proficiencies” is always “do what I write down in the feedback.”
